DECLARATION of BRIAN LYNGE SØRENSEN

I, Brian Lynge Sørensen, declare as follows:

My legal, given name is Brian Lynge Sørensen.

It is a very common tendency in Denmark to leave out and not use surnames ending in "sen" if one has another surname as well which is more unique. Surnames ending in "sen" are very common in Denmark. On 18 June 1999, International application PCT DK99/00339, claiming priority of Denmark application PA 1998 00813, filed 23 June 1998, was filed on my behalf. During the filing of this application, my name was listed as Brian Lynge. I am listed in the internal phone list of my employer, Crisplant A/S, as "Lynge, Brian" without the name "Sørensen".

When presented with the combined Declaration and Power of Attorney for U.S. application 09/720,468, I corrected my name from Brian Lynge to my given family name Brian Lynge Sørensen. The discrepancy between my name listed on the PCT application and my name listed on the U.S. application occurred without any intent on my part. I hereby declare that Brian Lynge and

Appln. No.: 09/720,468

Brian Lynge Sørensen are one in the same person and that this error occurred without any intent on my part. I have signed this declaration with both names below.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
